

IQPC is closely monitoring the developments and updates regarding the COVID-19 outbreak from Wuhan, Hubei Province (mainland China).

**All IQPC events will proceed as scheduled, unless notified separately.**

The safety and well-being of our customers and our people are of utmost importance, and we are following all travel and health advisories from the World Health Organisation (WHO), Singapore's Ministry of Health, and all respective National Health Authorities.

IQPC is also working with all event venues to implement precautionary measures and contingency plans for all events that we run.

Some of our precautionary measures include:

- **Daily Temperature Taking**  
All IQPC employees will have their temperature taken twice a day.
- **Travel Declaration Form (IQPC)**  
All IQPC employees have completed the travel declaration form on whether they have travelled to mainland China recently.
- **Complying with Leave of Absence (LOA) and Stay-Home Notice**  
All IQPC employees with recent travel history to mainland China will be required to go on a 14-day LOA/SHN, under which they have to stay at home and avoid social contact.

Additional precautionary measures at our events include:

- **On-Site Temperature Taking**  
We will take the temperature of all participants across our events, before entering the event premises. We will be working closely with the respective event venues to implement this process.
- **Travel Declaration Form (IQPC)**  
All participants will be required to complete a travel declaration form on whether they have travelled to mainland China recently. Those with recent travels to mainland China will not be permitted to enter the venue premises.
- **Medical Support, Hand Sanitisers and Masks**  
IQPC will work together with our respective event venues to check if they have additional medical support and contingency plans in the event any participant is not feeling well. IQPC will also work together the event venues to check if they will have hand sanitisers and masks in place for those who require them.

For more information about the COVID-19 virus and its developments, please refer to the official Singapore Ministry of Health website: <https://www.moh.gov.sg/> and <https://www.who.int/>.

If you require further information, please do not hesitate to contact our customer service team.
