The financial assistant of the self-employed

my name is Alexis

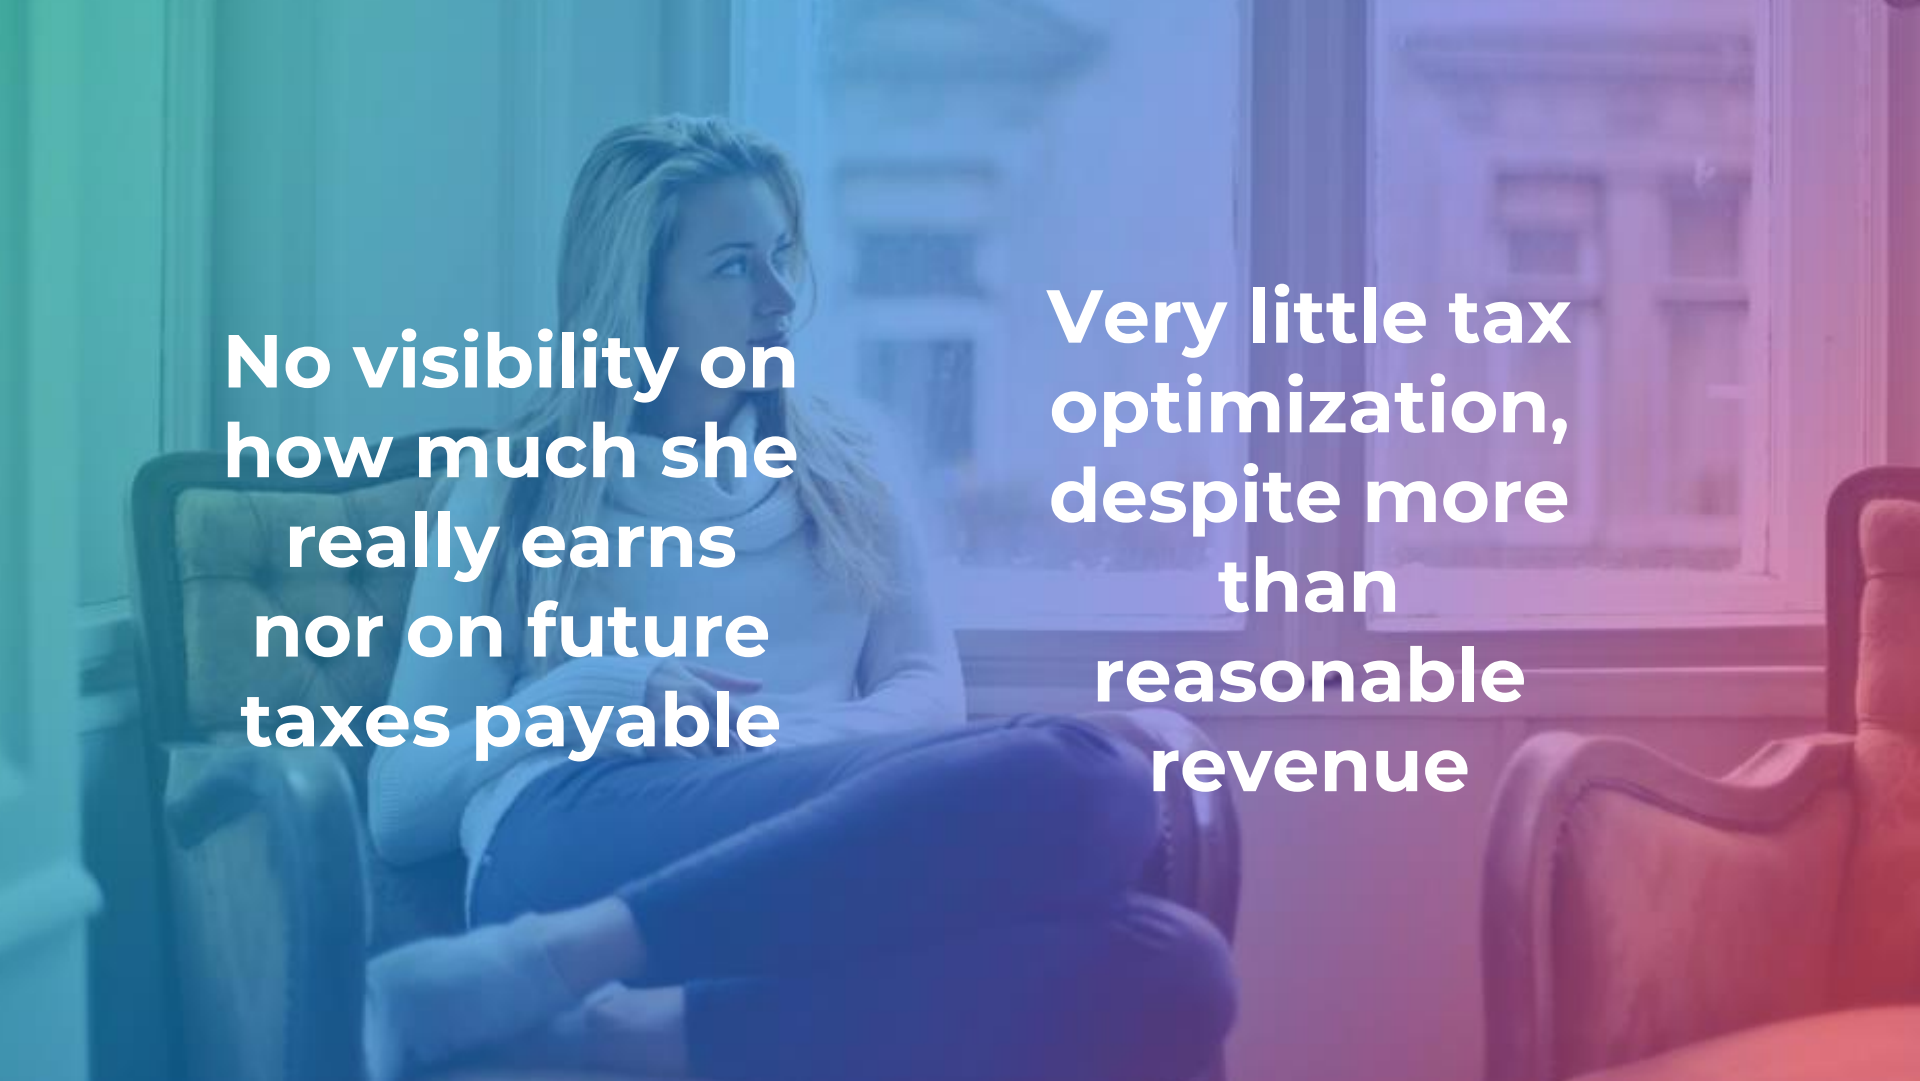

# Emily

Young  
ambitious  
architect

A woman with blonde hair is sitting at a desk, looking thoughtful with her hand on her forehead. She is wearing a white shirt and a bracelet. In front of her is a laptop displaying a website with various images and text. To her left is a spiral notebook with some handwritten notes. To her right is a pair of glasses in a case. The background is a light blue wall with a whiteboard that has some notes on it. The overall scene is a professional office environment.

**Spends on average  
6h per quarter  
on her admin**

**No visibility on  
how much she  
really earns  
nor on future  
taxes payable**

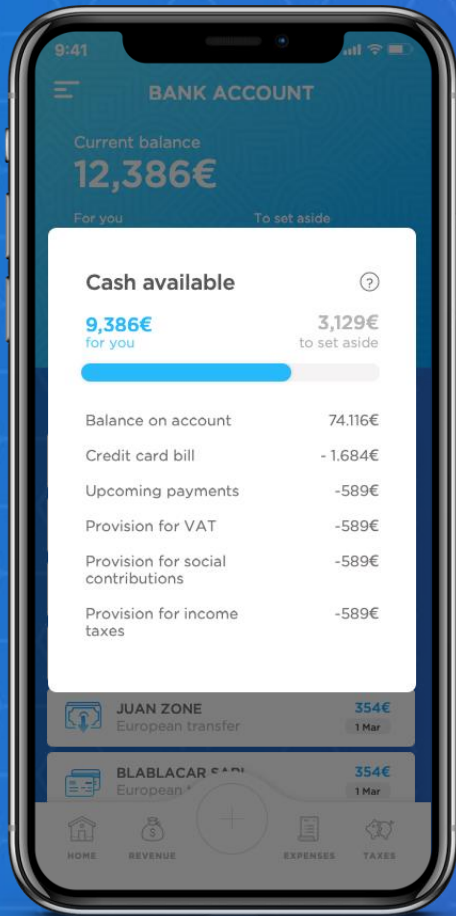

**Very little tax  
optimization,  
despite more  
than  
reasonable  
revenue**

**A mobile  
application**  
that lives on your  
professional bank  
account
